

Attorney Ref #: 022A PCT/US

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Serial No. : 09/852,370

Art Group : 1633

Filed : May 10, 2001

Examiner : —

Applicant : Pomerantz et al.

For : Chimeric DNA Binding Proteins

Assistant Commissioner of Patents
Washington, DC 20231

August 8, 2001

Information Disclosure Statement Under 37 CFR §1.97(b)

Sir:

Applicant hereby files the following Information Disclosure Statement. Applicants and their agents/attorneys are aware of the following publications and information, and in accordance with 37 C.F.R. § 1.97 and § 1.98, wish to make them of record. Form PTO-1449 and a copy of each publication listed thereon are enclosed.

The Examiner is respectfully requested to initial the space adjacent to each documents on the PTO-1449 form and return a copy of the PTO-1449 form to confirm that these documents have been considered by the Examiner and made of record in this application.

This statement is not to be interpreted as a representation that the cited publications are material, that an exhaustive search has been conducted, or that no other relevant information exists. Nor shall the citation of any publication herein be construed *per se* as a representation that such publication is prior art. Moreover, Applicants understand the Examiner will make an independent evaluation of the cited publications.

No additional costs are believed to be due in connection with the filing of this disclosure. However, please charge any necessary fees to our Deposit Account No. 01-2315. Should there be any questions after review of this paper, the Examiner is invited to contact the undersigned at (617) 494-0400 x266.

Respectfully submitted,

David L. Bernstein
